

Reminder Sign

Fill out this Reminder Sign as needed to provide your person with basic information and reassurance. Hang this sign in a location where your person spends a lot of time. Be sure to hang it at their eye level, which may be below your own. If they are often seated, keep that in mind. Be sure to print in color as this is designed to grab their attention. Do not use too many signs or it will become over-stimulating and confusing.

Reminder Sign Example

This sign is for Anne, who is always calling Bob to ask when he will be home. This sign is placed next to a clock.

Both are in front of Anne's favorite chair.

Anne,

Bob is at work.

He will be Home

at 5:00 pm.
